The Goethe-Institut and the German Alumni Association Hong Kong are pleased to invite former scholarship holders from the German Academic Exchange Service (DAAD), the Goethe-Institut, or other German foundations or funding institutions and German learners as well as the general public to our first German-Hong Kong Alumni Talk “Career with German” on 5th March 2019.

Wolfgang Ehmann, Executive Director of the German Chambers of Commerce Hong Kong, will give an overview on the current situation of the Hong Kong job market and the local presence of large companies from Germany, Austria and Switzerland. Together with another guest, **Kaikang LE, Managing Director of Beurer Far East Ltd.**, they will discuss career chances in Hong Kong at German/Austrian/Swiss companies for graduates as well as job opportunities in Germany. There will be a Q&A session at the end of the talk. Our moderator is Timothy Wong, a graduate of the University of Hong Kong (HKU)'s German Program and is now working in the German Consulate General Hong Kong, responsible of the press and cultural affairs. We are pleased to invite our guests and participants to enjoy German food and beverages after the talk.

The **German-Hong Kong Alumni Talk** is a whole new event series, launched by the Goethe-Institut Hongkong and the German Alumni Association Hong Kong. Four times a year we will hold an expert discussion on current social-political, economic, cultural or education topics at the Goethe-Library.
