

# Lufthansa Technik

## Component Services Asia Pacific

10/F Guangdong Investment Tower  
148 Connaught Road Central  
Hong Kong

### **JOB OFFER: INTERN (Hong Kong – based)**

#### **Who we are**

Lufthansa Technik Component Services Asia Pacific (LTAP) is the youngest member of the Lufthansa Group. Established in September 2016, the Hong Kong company is a subsidiary to Lufthansa Technik (LHT), part of the Lufthansa Group, and the world's leading independent provider for aircraft maintenance, repair, and overhaul (MRO). LTAP is responsible for component business in the region APAC and, as such, directly interacts with most airlines in the region. As part of the regionalization strategy of LHT we are significantly growing our local team.

#### **Who we are looking for**

LTAP is looking for an airline enthusiast to start working with our local team as an intern. The perfect candidate is:

- Excited about the aviation industry
- Highly analytical & strong with numbers
- Experienced in making sense of data in Microsoft Excel
- Not afraid to make decisions
- Great at presenting ideas
- An entrepreneur and a self-starter
- An excellent communicator
- Adept to marketing principles, including use of social media
- Willing to build connections with local institutions such as universities
- Not afraid of working with technical data and documentation
- Willing to get their hands dirty and work on assigned operational tasks
- Enthusiastic about joining one of the world's leading airline groups

#### **What we can offer**

The successful candidate will:

- Join an exciting new team of airline professional for the next 6 months
- Assist on real, high-impact management projects
- Build relationships with universities and assist with marketing activities
- Assist our team of Key Account Managers and Sales professionals with analytics
- Learn about airline technical operations
- Work on supplying aircraft components to all major commercial aircraft
- Be exposed to aircraft engineering
- Work full-time in the heart of Sheung Wan

This is a paid, 6-month internship starting ASAP.
